OFFICE OF PETITIONS

Paper No.

O'MELVENY & MEYERS  
114 PACIFICA, SUITE 100  
IRVINE CA 92618

In re Application of  
Michael J. Heller  
Application No. 09/997,374  
Filed: November 29, 2001  
Attorney Docket No. 267/242

ON PETITION

This is a decision on the petition, filed July 1, 2004, under 37 CFR 1.313(c)(2) to withdraw the above-identified application from issue after payment of the issue fee. This is also a decision on the petition under 37 CFR 1.78(a)(3), filed July 1, 2004 and supplemented on July 6, 2004, to accept an unintentionally delayed claim under 35 U.S.C. § 120 for the benefit of priority to the prior-filed nonprovisional application set forth in the amendment filed July 6, 2004.

The petitions are **GRANTED**.

*As to the petition under 37 CFR 1.313(c)(2):*

The above-identified application is withdrawn from issue for consideration of a submission under 37 CFR 1.114 (request for continued examination). See 37 CFR 1.313(c)(2).

Petitioner is advised that the issue fee paid on June 25, 2004 in the above-identified application cannot be refunded. If, however, the above-identified application is again allowed, petitioner may request that it be applied towards the issue fee required by the new Notice of Allowance.<sup>1</sup>

*As to the petition under 37 CFR 1.78(a)(3):*

A petition for acceptance of a claim for late priority under 37 CFR 1.78(a)(3) is only applicable to those applications filed on or after November 29, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR

---

<sup>1</sup> The request to apply the issue fee to the new Notice may be satisfied by completing and returning the new Issue Fee Transmittal Form PTOL-85(b), which includes the following language thereon: "Commissioner for Patents is requested to apply the Issue Fee and Publication Fee (if any) or re-apply any previously paid issue fee to the application identified above." Petitioner is advised that, whether a fee is indicated as being due or not, the Issue Fee Transmittal Form **must** be completed and timely submitted to avoid abandonment. Note the language in bold text on the first page of the Notice of Allowance and Fee(s) Due (PTOL-85).

1.78(a)(2)(ii). In addition, the petition under 37 CFR 1.78(a)(3) must be accompanied by:

- (1) the reference required by 35 U.S.C. § 120 and 37 CFR 1.78(a)(2)(i) of the prior-filed application, unless previously submitted;<sup>2</sup>
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

The instant pending application was filed on November 29, 2001, and was pending at the time of filing of the instant petition. A reference to the prior-filed nonprovisional application has been included in an amendment to the first sentence of the specification following the title, as required by 37 CFR 1.78(a)(2)(iii).

The instant nonprovisional application was filed after November 29, 2000, and the claim herein for the benefit of priority to the prior-filed nonprovisional application is submitted after expiration of the period specified in 37 CFR 1.78(a)(2)(ii). Also, the reference to the prior-filed nonprovisional application was submitted during the pendency of the instant nonprovisional application, for which the claim for benefit of priority is sought. See 35 U.S.C. § 120. Accordingly, having found that the instant petition for acceptance of an unintentionally delayed claim for the benefit of priority under 35 U.S.C. § 120 to the prior-filed nonprovisional application satisfies the conditions of 37 CFR 1.78(a)(3), the petition is granted.

**The granting of the petition to accept the delayed benefit claim to the prior-filed application under 37 CFR 1.78(a)(3) should not be construed as meaning that the instant application is entitled to the benefit of the prior-filed application. In order for the instant application to be entitled to the benefit of the prior-filed application, all other requirements under 35 U.S.C. § 120 and 37 CFR 1.78(a)(1) and (a)(2) must be met. Similarly, the fact that the corrected Filing Receipt accompanying this decision on petition includes the prior-filed application should not be construed as meaning that applicant is entitled to the claim for benefit of priority to the prior-filed application noted thereon. Accordingly, the examiner will, in due course, consider this benefit claim and determine whether the instant application is entitled to the**

---

<sup>2</sup> Any nonprovisional application or international application designating the United States of America claiming the benefit of one or more prior-filed copending applications or international applications designating the United States of America must contain or be amended to contain a reference (amendment to the first line of the specification following the title or in an application data sheet (ADS) to each such prior-filed application, identifying it by application number (consisting of the series code and serial number) or international application number and international filing date filing date and indicating the relationship of the applications. Cross references to other related applications may be made when appropriate (see § 1.14).

**benefit of the earlier filing date.**

Any inquiries concerning this decision may be directed to Karen Creasy at (703) 305-8859.

The examiner of Technology Center Art Unit 1634 will consider applicant's entitlement to claim benefit of priority under 35 U.S.C. § 120 to prior-filed nonprovisional Application No. 08/703,601, filed August 23, 1996.

A handwritten signature in black ink that reads "Karen Creasy". The signature is written in a cursive, flowing style.
